

Making the Purchase:

Buying a license for Liberty BASIC is easy and safe. Visit the [Liberty BASIC online shop](#) to purchase. Recently there are two versions available, **Liberty BASIC** and **Liberty BASIC Pro**. See the FAQ: [Which Version of Liberty BASIC is Right for Me](#) if you are unsure which one to buy.

Online purchases are handled by a third party merchant called SWREG. SWREG is a global e-commerce solution. They are quick and secure. SWREG, Inc is a division of Digital River, Inc, a trusted publicly traded company in the United States. All major forms of payment are accepted including PayPal. **All fees need to be paid by the sender so the correct amount is received allowing your order to be processed.**

If you prefer an alternative payment method that is not listed, then please contact Carl Gundel directly at carlg@libertybasic.com.

Remember, ShopTalk Systems offers Liberty BASIC with a No Risk Guarantee: If you are not satisfied, ShopTalk Systems will refund your money up to 90 days after your purchase!
